15/10/2021

INFORMATION
PLEASE FORWARD TO THE MANAGEMENT BOARD!

Dear Madam, Dear Sir,

in compliance with the second COVID-19 opening regulation, the rules for external parties have been adjusted at the Austrian production locations of the voestalpine Group.

Effective immediately, suppliers and employees from external companies will not be allowed to enter the premises of voestalpine unless they meet the vaccination, recovery and testing requirements. Proof of vaccination, recovery or a valid negative COVID test must be carried at all times. Persons without documentation must wear a FFP2-mask. Scarves, visors and the like are not permissible as substitute protection.

Yours sincerely,
