\*) exact postcode areas see tariff sheet

\*\*) A load is indivisible if it cannot be split for technical reasons (for example 1 coil, 1 panel,...)

\*\*\*) The total weight limit per truck for transport to these countries is 40 tonnes.

There is no special permit for indivisible loads for these destinations!

\*\*\*\*) The exact arrival date also depends on the customs clearance time at the customs office of destination

\*\*\*\*\*) Only with light trailer and with limited possibility (approx. 15%)
